

## ***Design Competition 2002 / Ford Motor Company Scholarship Application***

This is a one-time \$500 scholarship made possible by the McCormick School of Engineering Design Competition at Northwestern University, Ford Motor Company, and the contributions of other generous corporate donors. Design Competition is a highly successful annual robotics competition involving undergraduate engineering students at the McCormick School of Engineering at Northwestern University. The competition is open to the public and will be held this year on May 18<sup>th</sup> at Northwestern University. Scholarship winners will be notified personally and will be announced at the competition. To be considered eligible for the scholarship, the applicant *must* be a high school student graduating in the spring of 2002 who is planning to major in engineering at Northwestern University. Award recipients in the Chicagoland area must be present the day of the competition to receive their award. Applications are due **May 1**.

***Directions:*** Please complete this application. You may use a photocopy of this application. Please include:

1. The attached application
2. Short Essay 1 and 2. Limit responses to one page total
3. A high school transcript (official preferred)
4. One teacher recommendation is highly recommended

Please mail the complete application to:

Design Competition 2002 / Ford Motor Company Scholarship Competition

Attn: Jared Tuberty

2145 Sheridan Road

Evanston, IL 60201

Winners are selected by the Design Competition Executive Board. All decisions are final. To find out more about Design Competition at Northwestern, visit our website at: <http://msgroups.tech.northwestern.edu/dc>, or email us at [dc@nwu.edu](mailto:dc@nwu.edu).
